Etching Hill CE Academy

Etching Hill CE Primary Academy Spelling Programme

Welcome to the Etching Hill CE Primary Academy spelling programme. The changes have been made to fall in-line with the new, 2014 National Curriculum, whereby, spellings have become more rigorous due to the standards to assess spellings within writing, and obtain Age Related Expectations.

This programme will follow the National Curriculum (NC) spellings per half term and your child will be tested weekly on the spellings learnt during that week. The children will be given time in school to practise their spellings, and obviously, it will be important that the children spend time at home to go over the spelling rules and the strategies that are required.

This booklet will focus on sounds that the children have been learning in school.

Year 1 Set 1 30.04.2021
